Work history

- 07/2010 - present Office assistant / temporary office manager
Stichting Studiebegeleiding Leiden
- Making course material for various subjects and overseeing the work of the other office assistants. During the summer I was the go-to person for anything course material related, as I was appointed to replace the regular office manager during his holiday.
- 04/2012 - 06/2012 Teaching Assistant for Complex Functions
Radboud University, Nijmegen
- 09/2010 - 01/2011 Teaching Assistant for Calculus 1 and 2
Radboud University, Nijmegen
- 09/2008 - 01/2009 Teaching Assistant for Mechanics 1B and 2B
Radboud University, Nijmegen
- Overseeing an exercise class (20 students): helping the students and correcting their work.

- 03/2008 - 05/2010 Assistant teacher mathematics
Stichting Studiebegeleiding Leiden
- A group of thirty high school students is taught all the material for the state exam in mathematics in an intensive three day course by a team of four assistant teachers and a supervising teacher.
- 2006 - 2008 Tutor for high school students in mathematics, physics and English
- 2001 - 2009 Several jobs: I worked as a waitress, in a supermarket, delivered newspapers and babysat for neighbours.

Extracurricular activities

- 09/2008 - 08/2009 Member of the Education Committee of Physics and Astronomy
Radboud University, Nijmegen
- Monitoring the quality of education given in our discipline. For example, I improved the questionnaire regarding the Teaching Assistants, using the experience I gained teaching high school students in Leiden.
- 09/2007 - 12/2008 Member of several committees of Marie Curie (student's association of Physics and Astronomy): First-year students committee, Activities committee, Symposium committee and Gathering committee.
- 08/2008 Mentor for new physics students at the introduction
